EDWARD W. HOES
Executive Director

Illinois Police Association Members:

In our desire to make more outstanding benefits to our members, the Illinois Police Association has joined forces with the Illinois Public Pension Fund Association, (IPPFA) and the Benefits solution Group

Like the Illinois Police Association, the IPPFA seeks the enactment and maintenance of sound and liberal pension laws for the retired and/or disabled law enforcement officers and to provide for the dependents of our deceased members. Informative seminars are provided by the IPPFA about up coming pensions laws each year and they talk to you as to what type of program will best benefit your needs when it comes to retiring.

Working with the Benefits Solution Group, we are now able to provide benefits to our members such as long term care insurance, prescription drug savings, discount rates on dental, vision, hearing, pet care, extended home health care, National Van lines relocation plan and much, much more.

The IPA not only works close with the other law enforcement agencies with legislation and pensions laws down in Springfield, we are now working close with the Illinois Public Pension Fund Association. Besides new benefits, the IPPFA is also working in getting new members in joining our association.

We are asking for you support in working with the IPPFA.

If you have any questions, please feel free to contact me at anytime.

Sincerely:

Edward W. Hoes
Executive Director
Illinois Police Association

"An Organization For The Professional Law Enforcement Officer"
